Highly motivated and results-driven Software Engineer with hands-on experience in Java, Selenium, TestNG, React, Bootstrap, HTML, CSS, and JavaScript. Proven track record of leading UI automation efforts, creating comprehensive test scenarios, and implementing robust test automation solutions. Adept at managing project dependencies, organizing and executing test cases, and ensuring efficient test case sequencing. Skilled in generating detailed test reports and proficient in version control using Git and GitHub. Additionally, possess expertise in frontend web development, including the design and implementation of responsive and visually appealing user interfaces. Collaborative team player with a strong commitment to delivering high-quality software solutions.

### SKILLS

Java • Selenium • TestNG • Html • CSS • Javascript • Bootstrap • React

### EXPERIENCE

05/2023 – 08/2023

#### Intern - Digital Assurance SL

*Virtusa*

- Led the UI automation effort to ensure smooth user interactions and functional efficiency.
- Created comprehensive test scenarios to cover various user interactions, edge cases, and corner cases.
- Utilized Java, Selenium, and TestNG to implement robust test automation and reporting.
- Implemented a Maven-based project structure to manage dependencies
- Effectively organized and managed test cases using TestNG annotations and groups
- Utilized TestNG's dependency feature to ensure proper test case sequence.
- Employed Aventstack Extent Report for generating detailed, interactive, and visually appealing test reports.
- Managed the project's source code and version control using GitHub

08/2023 – 08/2023

#### Web Developer

*Freelance*

- Collaborated with a freelance web developer on a property management website.
- Designed and implemented the frontend of the property management website using Bootstrap, ensuring a responsive and visually appealing user interface.
- Collaborated with the web developer to ensure seamless integration of design and functionality.
- Hosted the website on Hostinger, managing deployment and ensuring proper functionality on the live platform

## EDUCATION

08/2019 – 08/2023	<b>Bachelor of Technology (B.Tech) in Computer Science Engineering</b> <i>MGM Jawaharlal Nehru Engineering College</i> CGPA: 8.57/10
07/2017 – 05/2019	<b>Higher Secondary Certificate (12th Grade)</b> <i>Late Bhairomal Tanwani Junior College</i> Percentage: 72%
05/2016 – 05/2017	<b>Secondary School Certificate (10th Grade)</b> <i>Swami Vivekanand Integration Eng School</i> Percentage: 77.9%

## PROJECTS

02/2023 – 04/2023	<b>"Mflix" Web Application</b> <ul style="list-style-type: none"><li>• Developed an engaging web application called "Mflix" that allows users to browse and search for movies and TV shows.</li><li>• Implemented the MERN stack (MongoDB, Express, React, Node.js) along with HTML, CSS, and JavaScript for the frontend and backend development.</li><li>• Project Features<ul style="list-style-type: none"><li>- Bootstrap UI</li><li>- TMDB API Integration</li><li>- Movie Search</li><li>- Genre Categorization</li><li>- MongoDB Database</li><li>- Node Backend with Express Server</li><li>- React Components and Routing</li><li>- Third-Party Libraries: react-toastify, react-slick</li><li>- Version Control (GitHub)</li><li>- IDE (VSCode)</li></ul></li></ul>
10/2022 – 12/2022	<b>Point of Sale (POS) System for a Jewelry Shop</b> <ul style="list-style-type: none"><li>• Developed a comprehensive Point of Sale (POS) system for a jewelry shop using MERN stack (MongoDB, Express, React, Node.js) technologies.</li><li>• Project Features<ul style="list-style-type: none"><li>- Bootstrap UI</li><li>- Gold API Integration</li><li>- MongoDB Database</li><li>- Node Backend with Express Server</li><li>- React Components and Routing</li><li>- Third-Party Libraries: Chart.js, bcrypt, react-toastify, validator</li><li>- Version Control (GitHub)</li><li>- IDE (VSCode)</li></ul></li></ul>

## CERTIFICATES

- Foundation Level Certificate in Software Testing (ISTQB)
- Front-End Web Development with React
- Java Programming for Beginners
